LPGA Girl's Golf and Boys Golf is a free option that is available for any current player in our program.

NOTE: Participants may only register for a class that fits their current age (regardless of golf experience). However, if your child will be turning the minimum age of a class by the time the session is scheduled to end, he/she has the option to register for the older-aged class.

**Dependent on registrations, classes subject to change. For more details about classes, please email Jason Reddick at jason@thefirstteeoc.org*
